

CHAPTER PRESIDENTS: QUICK INSURANCE REFERENCE GUIDE

We have developed the [Insurance Summary](#), an expansive resource that attempts to explain the insurance program in user-friendly terminology. However, the *Insurance Summary* is over thirty pages. We wanted to provide Chapter Presidents with a quick and easy resource guide to the insurance program that would include information that you will most likely need to execute your duties. We still encourage you to read and review the *Insurance Summary*, as it provides the most extensive explanation of the various aspects of the insurance program.

Please refer to the chart below to cross-reference your specific need with the applicable resource. If you have a need that is not addressed below, please contact [Sara Sterley](#) with your suggestion. Following the reference guide below are several resources that you might find helpful throughout your tenure as Chapter President. Congratulations on this prestigious office and thank you in advance for your service!

Certificates of Insurance

Frequently Asked Questions

Q: Does MJ Insurance approve events?	A: No, MJ Insurance offers recommendations based on prudent risk management. Your National Organization has the ultimate decision as to the approval of your event.
Q: I have a Certificate of Insurance that I received for an event that we had last month. Can I use it again for an event that is being held next week?	A: No, Certificates of Insurance are all issued on an event specific basis; therefore, each time someone requests a Certificate of Insurance from you, you must obtain another Certificate of Insurance.
Q: I have an <i>Insurance Overview</i> that shows that we have coverage. Can I use this when I am asked for a Certificate of Insurance?	A. No, the <i>Insurance Overview</i> contains specific and confidential information regarding your chapter and should not be shared with anyone outside your organization.
Q: How long does it take to process a Certificate of Insurance?	A: It depends on what exactly is required by the specific venue and the nature of the event. We recommend that you submit requests two weeks in advance in order to ensure timely delivery, but we are happy to help you with Certificate requests at any time. Completing the Certificate of Insurance Request Form <i>in its entirety</i> is the best way of ensuring timely processing of your Certificate request.

We recommend that you obtain proof of insurance from venues and vendors with whom you do business to ensure that they are adequately insured. Venues and vendors are often confused as to why our clients request this information. For that reason, we have developed the following form in hopes of better explaining the purpose of requesting proof of insurance from third-parties.

REQUEST FOR INSURANCE FROM A VENUE OR VENDOR

MJ Insurance, Inc. is the Insurance Agent for Name of Organization. As part of the planning procedures in place with their National Organization and in an effort to ensure that their members are practicing good risk management, they are required to obtain a Certificate of Insurance providing proof that they are using venues/vendors who are adequately insured. They are not asking to be insured under your policy, as all of their chapters carry insurance through MJ Insurance, Inc.

You can obtain a Certificate of Insurance by calling your Insurance Agent and requesting a Certificate of Insurance. We recommend that the Certificate of Insurance provide proof of a minimum of one million dollars General Liability Coverage and a minimum of one million dollars Liquor Liability Coverage. Liquor Liability Coverage is only required if you will be the venue/vendor providing the alcohol. Please note we **do not** need your entire policy or a declarations page.
