## PRESS RELEASE

In 1984, the first women's fraternity was written by the Sorority Department. At that time, there was a young professional named **Bev Stiles** who was responsible for the claims servicing for any losses that occurred.

Fast forward to 2015 and Bev Stiles continues to have primary responsibility for the property and workers' compensation claims. Each year when we survey our clients, the feedback about claim service continues to serve as testimony of the outstanding service that is provided by the department, in large part due to Bev's outstanding customer-focused approach.

If you have done the math, you have determined that Bev has remained committed to the Sorority Department for over thirty years!

It is bitter sweet for us to announce Bev's retirement effective May 20, 2015. Please join with me in congratulating Bev for her commitment to the Sorority Department, to our insurance companies, and, most importantly, to our clients over these many years! Feel free to **drop her a congratulatory email** if you're so inclined.
