MJ INSURANCE
SORORITY DIVISION

September 18, 2012

MJ INSURANCE SORORITY DIVISION WELCOMES NEW ASSOCIATE!

We are pleased to announce that we have filled the Account Executive vacancy created by Lisa Ripley's recent retirement. Our new associate is Estacia Medlen Brandenburg. With her addition, I have been able to satisfy a long-standing desire of having an attorney on staff!

Estacia is indeed an attorney and has been employed by Indiana University Foundation as the Associate Director of the Office of Gift Planning for the previous nine years. She has also had prior experience with the development of the IU Student Foundation at the IUPUI campus in Indianapolis. Her volunteer work for her sorority, Alpha Gamma Delta, has included work as Chapter Advisor and House Association President, which makes her uniquely suited to help our department continue to find ways to assist the local volunteers on risk management issues and opportunities.

Estacia's legal training and background will provide a new dimension to the areas of insurance and risk management that MJ Sorority currently offers. She has a solid reputation, a keen intellect, strong customer service attitude, and an enterprising approach to finding ways to solve problems or to capitalize on opportunities.

With the addition of Estacia and Megan Oilar, our new Account Coordinator previously announced, we will have an opportunity to reinvent the department. We will be reviewing all of the roles and responsibilities of each Sorority Department associate to ensure that we are maximizing each individual's strengths to ultimately help us deliver exceptional service day-in and day-out.

For the next few months, I have asked Heidi Lewis, Account Executive, to take the lead on policy service for all of our clients. Either she or I are available to help you with your questions and requests. Heidi will also be the primary person responsible for Estacia's training as an Account Executive.

We are thrilled to have Estacia join our team and look forward to introducing her to the Greek community. Estacia may be contacted via email at estacia.brandenburg@mjinsurance.com and toll free at (888)442-7470 (ext. 7583).

The Sorority Division of MJ Insurance, Inc. provides proactive risk management solutions and a full array of property and casualty and employee benefit products exclusively to member organizations the National Panhellenic Conference.
