

Chubb's Cyber Service Solutions

Bridging the gap between cyber insurance and cyber security expertise.

Purchasing cyber insurance from Chubb is a great first step to help protect your organization from the financial and reputational losses experienced when data breaches and system outages occur. But protection doesn't end there. Chubb's policyholders have access to a selection of essential mitigation tools and advisory resources that can help you reduce your exposures 365 days a year.

Put the power of our solutions and advisory resources to work for your organization today. To [request services](#) or schedule an orientation call with a [Chubb Cyber Risk Advisor](#), or email us at cyber@chubb.com.

| Solution | Complimentary Offers | Discounted Offers |
|---|----------------------|-------------------|
| Cyber Incident Response Solutions Solutions to help assess, plan and practice your response before a cyber incident occurs — and help ensure quick action if it does. | | |
| Incident Response Mobile App: Get 24/7 incident reporting and response service resources at your fingertips. | ★ | |
| Breach Response Plan Builder: Build and maintain a customized response plan that can be accessed 24/7/365 online or with a convenient mobile app. | ★ | ★ |
| Virtual Incident Response Tabletop Exercise: Use a virtual, interactive cyber event simulation to test your organization's ability to appropriately comply with your incident response plan. | | ★ |
| Response Readiness Assessment: Receive a personalized assessment of your current incident response plan or get help creating an incident response plan if you do not already have one in place. | | ★ |
| Cyber Vulnerability Management Solutions Stay on top of software and network vulnerabilities that could impact your bottom line. | | |
| Chubb Cyber Vulnerability Alert System: Get updates that highlight the most critical and recently identified software vulnerabilities on the software you use. | ★ | |
| External Vulnerability Monitoring: Monitor cyber risk as a daily measurement of your security performance via a platform that highlights both strengths and potential weaknesses. | ★ | |
| Network Vulnerability Scan: Use an automated vulnerability scan test for 6000+ most common hacker vulnerabilities with hands-on guidance from a cybersecurity consultant. | | ★ |
| Penetration Testing and Attack Surface Management: Get connected with offensive security experts to evaluate your internal and/or external systems for cyber exposures from an attacker's point of view. Improve your visibility, inventory and understanding of your online assets and exposures. | | ★ |
| Vulnerability Management Platform: Get access to software that helps you discover vulnerabilities across your IT environment so that you can prioritize and remediate them to improve your security posture. | | ★ |

| Solution | Complimentary Offers | Discounted Offers |
|--|----------------------|-------------------|
| User Security and Education Solutions Create and maintain a workforce that serves as your first line of defense. | | |
| Multifactor Authentication (MFA) Assessment: Identify gaps in your organization's multifactor authentication deployment protocols and receive guidance on how to mitigate any exposures. | | ★ |
| MFA Implementation: Receive help selecting, designing, and implementing a multifactor authentication solution – including MFA for web mail, remote network access and cloud systems. | | ★ |
| Secure Password Manager: Simplify the process of managing multiple, secure passwords and avoid the dangers of employee negligence and bad password hygiene – Complimentary for up to 100 employees and preferred pricing for additional employees. | ★ | |
| Phishing Email Simulator: Test your employees to see how well they respond to two unique simulated phishing attacks. | | ★ |
| Perimeter Email Security: Get help selecting, designing, and implementing email filtering and sandboxing. | | ★ |
| Security Awareness Training: Provide two online training courses to your employees on cyber security best practices and how to identify potential threats. | ★ | |
| Cyber Risk Resource Library: Access this online resource for information and technical resources that can help prevent network, cyber, and privacy losses. | ★ | |
| Endpoint Cyber Security Solutions Access solutions that help foil cybercriminals and their increasingly sophisticated and malicious methods of infiltrating networks. | | |
| Endpoint Security and Response: Get access to anti-virus software that can help provide around-the-clock protection to your computer network and the vulnerable entry points for hackers, including capabilities beyond malware detection or traditional antivirus program. | | ★ |
| Patch Management: Get help selecting, designing, and implementing a solution to keep up with critical software updates that protect against critical vulnerabilities to your software. | | ★ |
| Extended Detection and Response: Get access to software that encompasses AI-powered prevention, detection, response, and threat hunting across user endpoints, containers, cloud workloads, and IoT devices. Empowering you to defend faster, at greater scale, and with higher accuracy across your entire attack surface. | | ★ |

Chubb is the marketing name used to refer to subsidiaries of Chubb Limited providing insurance and related services. For a list of these subsidiaries, please visit our website at www.chubb.com. Insurance provided by ACE American Insurance Company and its U.S.- based Chubb underwriting company affiliates. All products may not be available in all states. This communication contains product summaries only. Coverage is subject to the language of the policies as actually issued. Surplus lines insurance sold only through licensed surplus lines producers. As an existing Chubb insured, you are eligible to receive a discount on all consulting and investigative services rendered by a vendor. This offer is made by the vendor and is available only to Chubb policyholders with a current in-force policy. For services provided, the policyholder and vendor would enter into a vendor relationship directly. Chubb will not be involved in the policyholder's decision to purchase services and has no responsibility for services that may be provided. Chubb, 202 Hall's Mill Road, Whitehouse Station, NJ 08889-1600.
